Dear friends,

I hope you have all settled down into the New Year with January nearly already over.

The purpose of this letter to you all is to let you know that the Tokyo Conference organising committee has been inundated with requests for an extension of the early bird registration fee for our Tokyo Conference which promises to be a great success thanks to the efforts of the organising committee but particularly the work and organisation of the Japanese MLA. As you can see the registration fee has not only been kept very low indeed, it is also inclusive of the social events which are extensive.

In view of this the organising committee has decided to extend the Early Bird Registration deadline up to 12 noon (Tokyo time) on the 14th February 2025. May you please encourage your members to ***Register and Pay*** by that date in order to benefit from the early bird discount. You can register at the conference website at <https://cmi2025tokyo.org>.

In the meantime we have many busy months of hard work ahead of us before we meet each other in Tokyo.

Yours sincerely
